

# BAKE SALE FUNDRAISER TRICEL GROUP

**Tricel Killarney** hosted their bake sale fundraiser for St. Oliver's National School's 'Sensory Garden Project'. Well done to all in Tricel Killarney who raised an amazing €1,000.

St. Oliver's Primary School caters for the education of 635 students, in 24 mainstream classes and 8 special classes. The aim of their Sensory Garden project is to create an inclusive outdoor sensory space that will benefit all of the children in our school. They hope to use the funds raised to create a climbing wall, a water play area, a sand pit, a sensory walkway, a music centre and a planting patch.

**Finol** located in Crumlin, Dublin added their own twist to our Workplace Wellbeing Day celebration by hosting a bake-off in aid their chosen charity, Autism Ireland.

The Irish Society for Autism is a national organisation, founded in 1963. We are celebrating over 60 years of campaigning and providing services and supports to Autistic people and their families.

Congratulations of our top baker Karen Kennerney, Customer Services won one the bakeoff.

# BAKE SALE FUNDRAISER TRICEL GROUP

**Gem Oils** also have some brilliant bakers. Our colleagues in Cavan hosted their bake sale for Cancer Research. Cancer Research is an Irish medical research charity focused on cancer. We work to significantly impact the number of children and adults who can survive this disease. We invest in world-class research in Ireland to impact the quality of life for people with cancer and save lives. We are particularly focused on improving outcomes for those cancers, which are poorly served by current treatment options.

Our colleagues in **Tricel Gloucester**, **Tricel Water Storage**, **Tricel Composites** did some serious baking in aid of various local charities. In total our colleagues across the group raised €1,686.60 (£1,463.81).
